About this offer:

This luxurious East-African Style house overlooking the Indian Ocean is a perfect place to unwind and get closer to nature, in unparalleled style and comfort!

Touching Africa House becomes Home away from Home.

This spacious house consists of 5 double en-suite rooms, 4 of which can be converted to twin beds, all with panoramic views of the Indian Ocean from the verandas. The various buildings are connected by wooden walkways. A central open plan dining and living room area creates a feeling of oneness with nature and the endless expanses of the Indian Ocean.

The red African ocean sunrise invites you to a day packed with fun and serenity in one basket. Long walks on the white outstretched beaches, games on the sea sand or relaxing in the shade of the gazebo - savoring the beauty of the crystal clear waves complemented by picnicking with family and friends, spending quality time together in this tranquil paradise. Lie back around the pool on the deck chairs secluded in the forest garden.

Your hosts during your stay are the family in residence and their canine companions.
